

# GENERAL TERMS AND CONDITIONS OF SALE

## ADVALDI

Effective Date: 1 January 2026 | Version: 2026.1

## Contracts

1. These general terms and conditions of sale ("Terms") comprise all the terms of the contract for the sale of the Products between dealer and ADVALDI (MOEVS Agency B.V.).
2. "Products" will mean the products to be purchased from ADVALDI and distributed by Dealer under the relevant contract and/or an order.
3. Each order for Products by Dealer from ADVALDI shall be deemed to be an offer by Dealer to purchase Products subject to the relevant contract and these terms.
4. For orders placed outside the ADVALDI B2B online portal (e.g., by email), no order shall be deemed accepted by ADVALDI unless and until ADVALDI issues a written acknowledgement of order or (if earlier) delivers the Products to Dealer. For orders placed and confirmed via the ADVALDI B2B portal, a binding agreement shall be formed immediately upon the Dealer's confirmation of the order in the portal. Such confirmation shall constitute ADVALDI's written acceptance within the meaning of these Terms.
5. No order placed by Dealer shall be deemed to be accepted by ADVALDI until ADVALDI issues a written acknowledgement of order or (if earlier) ADVALDI delivers the Products to Dealer.
6. Any quotation provided by ADVALDI is non-binding and shall not result in a contract unless a quotation is given on the basis that no contract will come into existence until ADVALDI dispatches an acknowledgement of order to Dealer. A quotation is valid for a period of 30 days only from its date, provided that ADVALDI has not previously withdrawn it.
7. If Dealer accepts the quotation, or places an order, or accepts or uses the Products, Dealer shall be deemed to accept these Terms exclusively, despite anything that may appoint to the contrary. Any general terms and conditions of Dealer, by whatever name, by any name applied by Dealer shall not apply and are hereby explicitly rejected by ADVALDI. This applies regardless of any reference by Dealer to its own terms in purchase orders or other communication to the contract between Dealer and ADVALDI. ADVALDI hereby explicitly rejects the terms and conditions of Dealer.
8. No variation of, or addition to, these Terms shall take effect unless otherwise agreed by the parties in writing. In case ADVALDI and Dealer have entered into a contact regarding the sale and resale of the Products the provisions of that contract prevail over these Terms.
9. Each relevant contract is made subject to supplies of the Products being available to ADVALDI and unsold.
10. ADVALDI can amend these Terms at any time. ADVALDI notifies Dealer about the amendment in writing 1 month before it takes effect. If Dealer does not object before the amendment comes into force, Dealer shall be deemed to have accepted the amendment. ADVALDI shall notify Dealer in writing of any such amendment at least one (1) month before it takes effect, unless the amendment is purely technical or administrative in nature and does not adversely affect the Dealer's rights or obligations, in which case the amendment may take effect immediately upon notification. If Dealer does not raise any objection in writing before the effective date of the amendment, Dealer shall be deemed to have accepted the amendment. In the event of a timely objection, the previous version of the Terms shall continue to apply to any outstanding orders, and the parties shall consult to determine the further course of the relationship.

## Prices

11. Unless otherwise expressly stated, the price agreed by ADVALDI (a) is the net price of the Products (after deduction of any discounts) for delivery in accordance with the relevant contract, (b) overrides any quotation or estimate and (c) is exclusive of Value Added Tax and any other taxes, (import or export) duties and impositions and any packing, carriage and insurance, all of which if applicable shall be paid by Dealer at the same time as, and shall be treated as an additional part of, the price.
12. At any time before delivery of the Products ADVALDI has the right to, upon notice to Dealer ultimately 1 month before the scheduled date of delivery of the Products, adjust the price to take account of any change of

specification requested by Dealer or any change in the cost for ADVALDI of raw materials, power, change of prices of ADVALDI's suppliers and labour.

## **Payment**

13. Invoices are due for payment within 14 days of their date. In case of excess payment by the Dealer, ADVALDI shall have the right to deem the excess amount as a payment of any outstanding amount under any other invoices due from ADVALDI first. In case there are no outstanding invoices, ADVALDI shall issue the credit note and perform respective repayment of the difference.
14. ADVALDI reserves the right to demand payment in advance on any order and to receive security (rights) of payment in any form, for instance bank guarantee or collateral.
15. If payment has not taken place at the due date, Dealer is in breach of contract without notice of default being necessary.
16. Without prejudice to any other remedy, ADVALDI may charge interest on overdue invoices, from the due date until the date of payment, on a daily basis at the rate equivalent to an interest rate of 5% per month over the outstanding amount of the (partially) unpaid invoice(s).
17. Without prejudice to any other remedy, ADVALDI reserves the right to refuse to complete orders and/or deliver Products if Dealer failed to make all payments due to us in full or timely under that or any other contract.
18. All payments payable to ADVALDI under the relevant contract or respective purchase order shall become due immediately upon termination of the relevant contract or respective purchase order despite any other provision.
19. Dealer shall make all payments due without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless Dealer has a valid court order requiring an amount equal to such deduction to be paid by ADVALDI to Dealer.

## **Orders**

20. Unless Dealer gives ADVALDI prior written notice to the contrary, the person placing or signing the order on Dealer's behalf will be deemed to be authorized to do so.
21. ADVALDI reserves the right to refuse any order, including any order made in response to ADVALDI's quotation. For instance, in case Dealer is in material breach of its obligations under any order or relevant contract with ADVALDI or its affiliated company. Written quotations are based on costs ruling on the date of the quotation and are subject to change in line with clause 11.
22. Any acceptance of an order by Dealer that derogates from the quotation or initial offer of the order by ADVALDI, will not bind ADVALDI.
23. Orders may not be cancelled after acceptance by ADVALDI, unless otherwise agreed upon between parties in writing. Notice of the cancellation of the order must be given in writing. Dealer will reimburse ADVALDI for any costs incurred or committed up to the point of cancellation of the order.

## **Licence, sale and resale**

24. Nothing in these Terms shall be interpreted as restricting active or passive sales by Dealer to consumers within the European Economic Area (including sales via the internet).
25. ADVALDI grants to Dealer a non-exclusive (sub)license to display ADVALDI's trademarks solely for the purpose of re-sale of the Products and subject to compliance with ADVALDI's brands and marketing guidelines/instructions, which are provided by ADVALDI or available on request from ADVALDI.
26. Unless otherwise agreed upon with ADVALDI in writing, Dealer is only allowed to sell the Products to end customer (being natural persons).
27. Unless otherwise agreed upon with ADVALDI in writing, Dealer is not allowed to offer the Products via a third-party-platform (a so called 'market-place').

28. ADVALDI may impose requirements on Dealer for the sale and display of the Products regarding the high quality, trademarks and brands of the Products.

If Dealer wishes to advertise and/or offer the Products online, either on its own website (or sales platform) or the website of another party (taking into account clause 25) ADVALDI written approval must first be acquired, such approval will not be unreasonably withheld by ADVALDI. ADVALDI can withhold its approval in case Dealer (or the third party) does not comply with the qualifying

29. standards and requirements of ADVALDI for (online) sales or such contradicts its strategy. These standards are available on request from ADVALDI.

30. Dealer is free to determine the resale prices of the Products. ADVALDI may suggest a "non- binding" resale prices, taking into account the high quality image and brands of the Products, provided this does in no way limit Dealer's right to grant lower prices.

31. Dealer accepts and shall comply with the after sales service of ADVALDI, unless agreed otherwise in writing. The obligatory after sales services to be performed by Dealer shall in any case mean that Dealer itself is responsible for providing proper after sales services with respect to the Products sold by Dealer to the relevant end-customers. ADVALDI shall be entitled to set additional aftersales requirements.

## Delivery, examination and insurance

32. Notwithstanding any provision to the contrary, ADVALDI will not be liable for any loss (including loss of profit and loss of trade), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Products (unless caused intentionally or with ADVALDI's gross negligence), nor will any delay entitle Dealer to terminate or rescind the relevant contract unless such delay exceeds 180 days and is not caused by a force majeure.

33. Unless otherwise agreed separately, all deliveries are based on Incoterms is "ex works" from ADVALDI's premises. All costs and risks relating to the Products shall transfer to Dealer at the moment of delivery.

34. Where ADVALDI agrees to arrange delivery to Dealer's premises (a) Dealer will pay ADVALDI's standard packing and delivery charges in addition to the agreed price for the Products, and (b) ADVALDI shall not be liable for any loss or damage in transit. If Dealer requires ADVALDI to arrange insurance on Dealer's behalf against loss or damage in transit Dealer must confirm this in writing at the time of making the order and Dealer will reimburse ADVALDI in addition for the cost of such insurance. If expedited delivery is agreed, an extra charge may be made to cover any overtime or other additional costs incurred.

35. Dealer must insure the Products in their full replacement value against all risks prudently insured against between the time of the risk and ownership passing to the Dealer and must on demand produce evidence of such insurance. Until the full price has been paid Dealer shall hold on trust for ADVALDI the policy and proceeds of insurance to the extent of the unpaid price.

36. Dealer must examine the Products immediately on delivery, notify ADVALDI and, if applicable the carrier, in writing of any shortage, incorrect or faulty delivery and defects or damages within 3 days after the date of delivery and of any non-delivery within 7 days after expected date of delivery, and give ADVALDI, any carrier and their agents a reasonable opportunity to inspect any short or damaged Products as delivered. If Dealer fails to do so, ADVALDI will not be liable for the non-delivery or short or damaged delivery, and Dealer may not reject Products for damaged delivery, whether caused before or after risk passes. In no event may Dealer reject Products for short delivery. 37. Notification relating to 'hidden' defects shall be made in writing within 48 hours after discovery. Failure to notify makes all Dealer's claims against ADVALDI null and void.

38. A defect in the Products delivered shall not at any time entitle Dealer to suspend any payment or to terminate the relevant contract or purchase order.

39. ADVALDI may deliver the Products by instalments, each instalment to be deemed to be the subject of a separate relevant contract. No failure or defect in delivery in respect of any relevant contract or instalment will entitle Dealer to any remedies in relation to any other relevant contract or instalment. 40. If for any reason Dealer will not accept delivery of any of the Products when they are ready for delivery, or ADVALDI is unable to deliver the Products on time because Dealer has not provided appropriate instructions, documents, licenses or authorizations:

- (1) risk in the Products will pass to Dealer (including for loss or damage caused by ADVALDI's negligence);
- (2) the Products will be deemed to have been delivered; and
- (3) ADVALDI may store the Products until delivery whereupon Dealer will be liable for all related costs and expenses (including without limitation storage and insurance.)

Notwithstanding delivery, all Products Dealer acquires from ADVALDI, also those in consignment, shall be subject to a retention of ownership, as referred to in Article 92 of Book 3 of the Dutch Civil Code. ADVALDI will retain its title to such Products until all amounts due in connection with any order and/or the contract entered into between Dealer and ADVALDI have been paid in full, such amounts including all interest and costs to which ADVALDI shall be entitled in connection with any default by Dealer to comply on time or properly with any order and/or contract.

  - (1) the end customer is unable to provide Dealer with proof of purchase of the respective Product;

Force Majeure shall also include any impediment to comply with any order or the relevant contract caused by the failure of any third party involved by ADVALDI to comply with any obligation. 59. In the event of any type of Force Majeure, ADVALDI shall be entitled, without the requirement of any intervention by any court, at its sole discretion to reduce the quantity delivered, to suspend or delay the execution of any order and/or the relevant contract for a maximum period of 180 days, or to dissolve the order(s) concerned and/or the relevant contract in part or in full. Such suspension or termination shall not oblige ADVALDI to compensate Dealer for any damages or otherwise. After this period, ADVALDI shall be obliged to either opt for performance of the order(s) and/or the relevant contract or for dissolution of the order(s) and/or the relevant contract in whole or in part. ADVALDI may demand payment for the amount of work already done in performing the order(s) and/or the relevant contract before the Force Majeure situation arose.
